**Level:** Bachillerato 2\textsuperscript{nd} Form. They study English as First Foreign Language. The group is made up of 35 students; 20 of them have an average level, but not very high; there are 8 whose level is over the average and 7 whose level is rather poor, therefore our planning will include three different levels, although in the case of Bachillerato we are not supposed to handle within this diversity and the students are forced to reach a certain level to be able to pass the so-called ‘PAU’.
